WPMS NO. 36 OF 2001

Hon'ble M.C. Jain, J.

Heard learned counsel for the petitioner and learned standing counsel. No right accrued to the petitioner having offered bid in the last auction dated 23.12.2000. There is nothing to indicate that the bid offered on 23.12.2000 has been accepted. It is also noted that one of the conditions of the auction was that any bid could be rejected without assigning any reason.

The writ petition has no merit and is hereby rejected.
